And they sing the song of Moses the servant of God, and the song of the Lamb, saying, Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints.

Revelation 15:3

Unidiversal is a Charismatic Christian Faith Ministry specifically for bringing the diversity of God's great creation together to magnify Him in dynamic praise, worship, and service that represents Jesus Christ in the world today. Unidiversal Christian Faith is especially sensitive to those who have been rejected or let down by religious people and organizations.

Unidiversal Charismatic Christian Faith (UCF) & Diversity Evangelism Ministries has been steadily building Since 1997. Starting online, UCF has reached over tens of thousands of first time visitors, connects with and visits several like-minded churches across the continent and began local services in Northern Indiana in July 2008. This is an "Undenominational" and Independent Charismatic Christian Ministry open to all with and without denominational affiliations. We sing contemporary and traditional music; believe that being a true Conservative means to conserve faith in Christ for ALL people without condemnation, judgment, or stumbling blocks. UCF is open and affirming of all, including GLBTS people.

It is time to join together in the groundswell of growing revival.
Be the gift to the Body of Christ God designed you to be.
Renewal and restoration are in the air.

All are welcome here - And we mean it!
