

# Garden Knowledge

**Prioritizing knowledge of good and evil = ignorance**

**Prioritizing faith in knowing God = ultimate vitality of life**

**Leaves aren't enough to cover  
the faltering ways of ignoring God.**

**But blood-shed skin from the sacrifice for sin  
is all that could cover from where we go and have been.**

**So now and forever more nothing can separate us  
from the love of God who gave His only human-born son  
so that we can return to prioritize faith in knowing Him.**

**And all that we have to do is "believe".**

**Acts 16:30-31**

**... Sirs, what must I do to be saved?**

**And they said, Believe on the Lord Jesus Christ, and thou shalt be saved, and thy house.**
